MAPLEWOOD, PITTSFIELD, MASS., ELISHA TAFT, Manager.

MAPLEWOOD

Opens June 1st, 1886, with Many Important Changes.

THE NEW OFFICE

OCCUPIES the central portion of the buildings with its noble Grecian front. Partitions have been torn out until the Office proper, the Ladies Reception Room, the Wash-room, Smoking Room, etc., are ample and convenient. ELECTRIC BELLS connect the Office with the Sleeping Rooms, Parlors and other portions of the buildings. A new and broad corridor leads from the Office to the beautiful Dining Room.

THE NEW PARLOR

OCCUPIES the whole space over the offices. It is a noble room, sixty-five by forty-two feet in size, unbroken by any pillars, and with windows on every side. A new corridor leads from this room directly to the sleeping rooms. On the side of the corridor are the new arrangements for a Ladies' Toilet room, Bath room and closets.

THE NEW KITCHEN

IS built between the office and the dining room, and should any lady guest so win upon the good graces of the hostess as to be invited into her sanctum she will find a kitchen that is a model for convenience, neatness and ventilation.

THE NEW SANITARY ARRANGEMEMTS

ARE *absolutely* secure from any suspicion of danger. All wash-bowls and bath-tubs and water-closets are placed entirely *outside the walls* of the resident portions of the buildings, and new sewer connections have been made. Laundry work and kitchen work are similarly removed, so that guests are saved from any possible annoyance of heat and odors from these sources.

THE "GYM."

OR Gymnasium of the Maplewood Institute, is probably the noblest *Recreation Room* possessed by any hotel in the country. It is ninety-five by fifty-five feet and more than twenty feet in height, is provided with a platform for charades, etc., and with bowling alleys. Fresh air and sunlight have abundant entrance from every side, and it is well lighted for evening entertainments. It is admirably fitted as an *Assembly Room for Conventions*, having a seating capacity of eight hundred. It is connected by a *new corridor* directly with the office and the parlor, and yet so located that any noise incident to its use can never disturb guests in their rooms.

THE NEW LANDLORD.

ELISHA TAFT, brings such an enviable reputation of twenty years or more in similar work, in the Passamaquaddy House, Eastport, Me., the former Old Colony House, near Boston, the Homestead Inn, Pittsfield, that he may justly be called *old* in the summer hotel business. As soon as the hotel connoisseurs of Pittsfield and Lenox and Stockbridge found him out at the Homestead Inn, this past summer, he could not find room for a third of the guests who wished to stop with him. At Maplewood he will not be so straightened. If one desires a wholesome and generous table, a clean, fresh bed, and a genial, hearty welcome, he should try MAPLEWOOD during the season of 1886.

THE

BERKSHIRE LIFE INSURANCE

COMPANY,

OF PITTSFIELD, MASS.

REASONS WHY IT SHOULD BE PREFERRED BY THOSE DESIRING INSURANCE.

It has the benefit of over Thirty Years' successful experience.

Its business is conducted on the mutual plan, thus enabling members to get their insurance at cost.

It has always paid large dividends, thereby making the cost of insurance low.

It maintains a reserve for the protection of policy-holders, on the Massachusetts Standard, the highest basis required by the laws of any State.

It has a large surplus over the legal reserve and all other liabilities.

Its conditions as to travel and residence are very liberal.

Its policies are protected by the non-forfeiture laws of the Commonwealth of Massachusetts, which secure greater benefits to members than those of any other State.

It has always maintained a high reputation for just and liberal treatment of its members by promptly adjusting and settling all policy claims, a proof of which is the fact that no judgment has ever been rendered against it.
